WHAT A GLORIOUS EVENING!

On Saturday we welcomed Nancy May to present a concert in St Andrew's Church '*Concert by Candlelight*' and what a wonderful evening it was!

There was a capacity audience of more than 100 people who were entertained by the excellent selection of music Nancy had chosen – many with the theme of 'Love'

Nancy chose some songs which were very familiar and others not so quite well-known. Songs from Musicals, such as *The King and I*, *Calamity Jane* and *Cats*, and one of her favourites *Les Miserables*; other songs from the classical genre *Carmen*, *The Tales of Hoffmann* just to mention a few and so many other familiar pieces.

Nancy invited the audience to ask questions – some asked how she began her singing career and her hopes for her future – in all very interesting answers!

The concert ended with an encore with the audience joining in with *We'll Meet Again!*

It was a magical evening and we hope that Nancy will agree to come along again some time in the future to delight us all with her singing and choice of music
